The *Canadian Nationalist Party* is a political party operating in the federal jurisdiction of Canada. Our movement represents a **revival of national identity**. It is through our policies and vision of a **better way of life for all Canadians** that we will form a majority government by electing candidates to our House of Commons.

Our Charity Program

Dearest fellow Canadians, no one in our Country should go homeless during the harsh realities of Canadian winters. Yet, many of our cities homeless shelters simply have no more room do to the choices of an irresponsible government, and this winter is exceptionally bad.

We here at the Nationalist Charity Program will not stand by and see so many of our fellow Canadians freeze. Last year in Toronto alone over 70 people died during the winter due to homelessness. We have made it our mission to do everything in our power not to see this take place.

We are canvassing our neighborhoods and asking for your help in any way you can. Through your generosity, we purchase:

- sleeping bags
- socks
- winter coats
- scarves, gloves and hats

Let us pull together and help the homeless in our Nation stay warm this winter. If you are unable to this, then we ask that you would help spread awareness of this situation, or by contacting us and considering making a cash donation to our cause. Whatever you can do, your help would be greatly appreciated.

Thank you for taking the time to read this. Our toll free number is +1 (888) 505 – 9956. We will return your voicemail at this number within 24 hours.

If you wish to make a party donation directly, you can do so here: www.nationalist.ca/donate

Sincerely, the Nationalist Charity Program.
